New Hope Clinic "Mommy Baskets"

Thank you for your ongoing support of New Hope Clinic! One of their projects is to prepare beautiful "Mommy Baskets" which contain many of the basics mommies need after giving birth. They are custom-filled to overflowing, knowing what individual clients may need, & something for other children they have as well. What they are in need of now is the rubber baby squeeze syringes for little noses, and teething rings of any sort. If you could put one in your shopping cart and bring to church, Patti will deliver them. God bless you!
